WB4699
Hard Red Winter
Northern Region · Central Region · Southern Region

- Excellent Yield Potential
- Holds Winter Dormancy Well
- Excellent Standability
- Very Good Overall Disease Package

The ratings are approximate and should not be considered absolute. Based on internally conducted trials relative to other WestBred® brand wheat varieties.

**Individual results may vary, and performance may vary from location to location and from year to year. The result may not be an indicator of results you may obtain as local growing, soil and weather conditions may vary. Growers should evaluate data from multiple locations and years whenever possible. If a **Patent number(s)** is/are printed, this variety is patented. No license under said patent(s) is conveyed through purchase/bailment/transfer of the seeds unless and until purchaser has signed a WestBred® Seed Agreement or dealer invoice granting a limited use license to produce a single forage or grain crop for feeding or processing. Resale of this seed or supply of saved seed to anyone (including purchaser) for planting is strictly prohibited.

**PVP Plant Variety Protection**

Unauthorized Sales of Saved Seed for Planting Purposes Prohibited

**IF PVP STATUS IS NOT PROTECTED, THE STATEMENT BELOW APPLIES:**

Purchaser represents that he is obtaining the seed solely for the purposes of producing a grain, fiber or forage crop and that the seed, and any product from the seed, shall not be resold as seed or used for seed breeding purposes. The PVP logo is a registered certification mark of the American Seed Trade Association.
